I received an interesting email the other day about a link between the Red Arrows and the MGB. The Royal Air Force Aerobatic Team was formed in 1964 but was increased to nine members and became the Red Arrows in 1966. For publicity to celebrate the birth of the Red Arrows, nine MGBs were used to parade and take the pilots to their planes.

To celebrate 50 years of the Team at this year's **Festival of Flight** which is being held at **Biggin Hill on June 14** we want nine MGBs to recreate a parade to take the pilots to the planes, so we are looking for nine Red MGB roadsters to take part. Ideally the cars should be pre 1966 but later cars from the 60s will be considered. The idea is that the owners of the cars will parade the pilots before taking them to their aircraft. It's also planned that the MGBs and their owners will take part in a photo shoot with the pilots, aircraft and the Red Arrows team.

If you are lucky enough to own a Red MGB of 1960s vintage and would like to take part in this fantastic one off event then please drop me an email at neilhyett54@btinternet.com.

The day will be more like a 'Wings and Wheels' show, not only featuring aircraft but also all types of vehicles with many other attractions to make a great day out for all the family.

Some dates for your diary:

MG & Triumph Day at Stoneleigh on Sunday March 2 will be with us as you read these notes. We look forward to meeting you there.

Register AGM on Sunday March 23 at Kimber House at 11.00

It would be great to see some of you at the AGM. Why not come along and meet the Committee and get involved.

MGB Register Spring Run on Sunday April 6 2014 which will take us to Waddesdon Manor, near Aylesbury. This event has gained a good reputation over the years so makes a good season opener. Don't forget the closing date for entries is getting close so make sure you send your entry form soon, so as not to be disappointed. There will be three start options to make it more user friendly. These are Millets Farm near Abingdon, Hatton Country World near Warwick, with the third option being you plan your own route to join us at Waddesdon. Waddesdon is a National Trust property which was built by the fabulously rich Rothschild family in the style of a French Chateau. Set in landscaped grounds it's definitely worth a visit. **All details and entry form are on the website.**

MGB Weekend, September 12 to 15 2014 in Falmouth, Cornwall. Although Falmouth is very south for most of us it makes an excellent base for touring Cornwall, so why not stay on for a few days after the weekend and make a week of it! Numbers are restricted to 30 cars and we already have a good number of bookings so if you are thinking of joining us don't leave it too late, so as not to be disappointed. **All details and booking form are on the website.**

Finally, it seems I am the only person who has been contacted by someone with feedback on the events we organise. Come and give us some feedback **please!** We are only trying to ensure we do what you want; after all it is your Register! Remember the best suggestion that we take forward will receive a Sky Blue MGB Register Polo Shirt with the second receiving an MGB Register Cap.
