## A GREAT CALENDAR OF EVENTS FOR 2006

This month I have decided to cover the calendar of events for 2006 that the register will be supporting or organising.

### APRIL 2

The Cotswold Road Run will be on April 2nd, and based on Batsford Aboretum, nr Moreton in the Marsh, our regular run around the Cotswolds, starting and finishing at this very attractive venue. Numbers are limited to just over 100 cars and you should telephone Geoff Breed on 01280 812863. Pre-entries are a must as we cannot accept entries on the day - sorry.

### APRIL 28 - May 1

The MGB weekend based on Tunbridge Wells, organised as usual by Colin and Doreen Lanning. As I write, there are about four places left. Why not give them a ring on 01256 882828? These are super events, and well worth coming on.

### JUNE 23 - 25

Silverstone always has a good attendance from the 'B' Register where you will meet many other owners. The date is June 23-25th

### JULY 2

The 2nd July is the Summer Gathering at Ickford Hall, nr Bury St Edmunds organised by the Anglia Centre and where we have pledged our support. The contact is Roger Latham, tel 01702 580472 (evenings).

### AUGUST 6

If you can't do the above, there is another Summer Gathering at the Weald & Downlands open air museum, north of Chichester organised by the S.E. Centre. Again we have pledged our support and the contact is Jenny Morgan, tel 020 8657 2714.

### SEPTEMBER 3

We always support the Midget Register for their Autumn Run on the 3rd September organised by Dennis Wharf who has an uncanny knack of finding the most interesting routes around the Cotswolds. At this stage I have no further details and can only say: 'Don't miss it. His contact number is 01296 714232.

### NOVEMBER 18

We shall finish the year with another MGB focus day at Abingdon Tech college on Saturday November 18th. This is where you can learn an awful lot about your car. The contact will be Janine Pratt on 01264 335080 (evenings) and I will publish further details later in the year

Why not cut this list out and put it on the wall so you don't miss anything, or you can always access our website, [www.mgb-register.org](http://www.mgb-register.org). The committee will be well represented at all of these events, and will be pleased to meet you all. If you are a new member please come to meet us.

Finally our Vice Chairman, John Watson has recently had a spell in hospital for a new knee. He is now fitted with a full Koni competition unit, and should be up and about by the time you read this.
