Your chairman Bernard and the committee wish all of you a very Happy Christmas and a prosperous New Year Talking of next year don't forget to put into that nice diary you will be given for Christmas the following dates:

April 1st (no, I am not fooling) is the MGB Cotswold Road Run, and this will start at Millets Farm at Frilford which is near to Abingdon. The ladies will like this as there is a good garden centre and some nice shops. I am doing the route with John Watson and we will do our best to make sure we are in an area of the Cotswolds we have not used before. Entry forms can be downloaded from the website.

In the summer, depending on the date of Silverstone, the register will support the Abingdon Works Centre's Summer Day Out which is returning to the calendar next year It will be either in June or July, and the venue is yet to be decided, it may be Blenheim Palace, but don't hold me to this.

A focus day will also be organised again, and this will be on 17th November 2007.

The register seems to have lost one of its trophies. It is the Shirley Cooper memorial trophy awarded to the most successful MGB driver in competition, so if anyone has it or knows any details of its whereabouts please phone Bernard on 01858 431271.

As Christmas is fast approaching Colin and Doreen Lanning on 01256 882828 have some very nice items of MGB regalia to sell you. Details are on the website, or phone and if you are quick, orders can be with you for Christmas.

Finally a couple of photos for you this month, the red GT (above) belongs to David Brown from Cranleigh and shows his car on Littlehampton sea front on Jan 2nd 2006 (he says it was a very cold day). The second one must have been a warmer day and shows Keith Morris of Hinckley on the occasion of his son's wedding, where the B was proudly doing the honours for the lady in red.
