Our first event of 2007. the Cotswold Road Run takes place on Sunday 1st April, the venue is Millets Farm Centre at Frilford. Nr Abingdon at 10.30am. There will be two runs, one of about 55 miles and one of about 40 miles, both of them return to Millets for your lunch stop. This is always a very popular event, the entry form was on the inside front cover of January's *Safety Fast!*, or it can be downloaded from our website. Entries officially close on March 16th so do get your entry in now please. Millets also do a very good carvery lunch in their restaurant which I can recommend, it would be advisable to book your place in advance (tel 01865 391169) for about 12.45.

The register AGM will take place on Sunday 25th March at Kimber House, and it would be nice to see some other faces than the committee there. For

starters it is now time for a new scribe for this column, I have done the job for a few years now and feel a new approach would be good for the register.

Colin Lanning tells me he has one space for the trip to Holland due to a cancellation, so if you are interested please telephone him on 01256 882828 forthwith as time is going on. These register events are great fun and good value. The date is April 28th to May 1st.

Further events for the year which are supported by the register are the Abingdon Works Centre Speckled Hen Tour on May 27th, a good turnout of Bs usually attend, and Silverstone is now fixed for June 22nd to 24th. The MGB parking attracts a large number of you, but don't forget the California Cup Auto tests where there is a cup for the best team of MGBs, it would be great to see a number of teams entered so get your friends together for this.

Our regalia secretary. Colin Lanning has available a new white polo shirt with the register logo on plus a pocket for your glasses or whatever, price £ 16.50. See this on the website or order by phone 01256 882828.
